### TO THE WEST! TO THE WEST!

Before making your arrangements to follow the advice of the "thousands who have already gone," it would be well to consider what has been done to make the journey to your "Homes in the West" as pleasant and free from danger as human skill and foresight can accomplish.

By consolidation and construction, a road has been put into operation on the shortest possible line from Nashville, Tenn., to St. Louis, "the future great City of the world." This line, the

ST. LOUIS & SOUTHEASTERN RAILWAY,

has, during the past year, earned an enviable reputation by its smooth track, prompt time, sure connections, and the magnificence of its passenger equipment. Its trains are made up of new and commodious day cars, provided with the celebrated Miller coupler and platform, and the Westinghouse air brake.

It is possitively the only line running Pullman Palace Drawing-Room Sleeping Cars through without change from Nashville to St. Louis. No other line pretends to offer such advantages, either in distance, time, or equipment. Why, then, journey by circuitous routes? Do not be induced to purchase tickets to St. Louis or the West by any other line, remember that

**The "St. Louis & Southeastern"**

is the shortest, cheapest, quickest, best and only line under one management from Nashville to St. Louis, and is from 60 to 200 miles the shortest to St. Louis, Kansas City, Omaha, Denver, California, Texas, and all western points. It is also the "Chicago Shortest Line," via Evansville.

You can secure the cheapest rates for yourselves and your movables on application, in person or by letter, to C. S BARRETT, Southern Passenger Agent, Postoffice Box 242, Chattanooga Tenn., or to the undersigned.

General Ticket Agent, St. Louis.

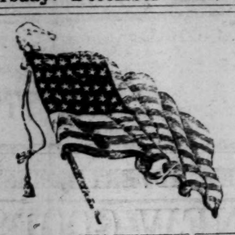
THE EVENING POST has a fine city circulation and is, consequently, a first class advertising medium. Merchants take THE POST home to their families to read the news of the day, and is oft seen by most of the leading people of the city.

# The Evening Post.

WILMINGTON, N. C.

Thursday. December 11th. 1873.



We invite attention to the advertisement of the New York *Times*, which appears to-day. This paper is recognised as one of the ablest exponents of Republican principles in the United States. It will be long remembered as the prime mover in the cause, an incident of which was the consignment of W. M. Tweed to prison for twelve years, and in all the long period which elapsed between the day the *Times* made its disclosures and the day Tweed was sentenced, it never yielded to the threats or blandishments which were offered. No Republican who desires to keep up with his party can afford to do without the *Times*.

### Patrons of Husbandry.

This order is growing very rapidly in this State, and especially in this county. So far, it has assumed no definite position on public affairs, but is devoting itself to social times and agricultural improvement. A few days since the Grange at Rocky Point had a pic nic and ball which was a decided success and a bright oasis in the desert of dullness into which the country is thrown by the present unsettled condition of affairs. We were favored with an invitation, and regret exceedingly our inability to be present. We can only hope that our friends will try it again and we will be sure to be there.

So far, we think, the objects of the Granges are worthy in this State, and we cordially recommend the Order to the farming fraternity as one that may be the means of advancing their interests. Only keep politics from its portals and it will be popular and beneficial. The issues before the Western Granges are not of interest here. We have cheap transportation to tide water and we do not care to raid upon the rail roads in this State. So all our Granges have to do, is to meet and consult upon agricultural affairs and this is right.—We believe in organization among our farmers, and do not particularly care whether it is in the form of Granges or Clubs.

### A Sign of Hope.

It is gratifying to see that among one class of men in the South there is a feeling of loyalty to the government and institutions of the country. Among the teachers of youth, are found men who give expression to the most elevated sentiments of patriotism, and still can discern a promise of a perpetuation of civil liberty in our country. Governor Swann, of Maryland, in his address to the students of the University of Virginia congratulated them in the most fervent strain that the same flag, representing the same glorious Union as it came from the hands of their fathers, floated over them on that occasion, and he prayed that it might go forth, bearing the glad tidings of peace, good will and universal equality to the remotest ends of Christendom.

A member of the Kentucky Legislature, in an address at Berea College of that State, referred to the fact that his education, his wealth and whatever advancement he enjoyed, he owed to slave labor and he felt the solemn obligation resting upon him, to repay, as well as he was able, the debt he owed the negro race.

These utterances ring of the true metal. They compare brightly with the wailing demagogue, and the prognostications of foolish newspapers, who foretell the speedy end of Republican government in our country. The salt of a people has not altogether lost its savor, when such sentiments come from them; and we may hope that the time is not far distant when the whole South will feel her interest in our common country, and be willing to do complete justice to the colored race.

### The County of Jefferson.

For several years—before and after the war—the matter of a division of New Hanover and the formation of a new county, has agitated the public mind. The first desire for this change came from the country districts. A considerable portion of the country people have been in favor of a division for many years. The recent introduction of a bill by Senator Mabson, designed to accomplish the end, looks like business. The recent petition brought before the Board of County Commissioners—by our country citizens—further indicates that the people are in earnest.

We believe in the right of the people to govern themselves, We think whenever a county becomes too large to subserve the interests of the majority of its citizens, or any considerable portion of them living together, it is their right, and the duty of all to consent to the formation of a new county. We are very sure, and can prove from figures, that the city will be benefited; we are not sure that the country districts will not also be benefited. By the division contemplated, the new county will consist of the large and more sparsely populated portion of the county.—The population of the new county will be about 14-29 of the whole population of the present county, or fourteen thousand souls out of twenty-nine thousand souls—based upon the census of 1870. It is fair to assume that the increase of population has been as great, relatively in the country as in the city. We think the matter ought to be well considered by all the people of the county. While we think a division desirable, yet, if the measure is opposed, we shall not press our ideas too strongly.

A division of the debt, public buildings and other property, could easily be arranged and adjusted. The expense to the new county of public buildings, for the present, would be moderate; perhaps the amount of expense to be incurred would soon be saved in the cost now required to attend court at Wilmington. To the city of Wilmington there will be a saving of expense in the government of the county. We hope a full and free expression of opinion will be obtained and that the result arrived at may meet general approbation.

BEWARE of pickpockets, as there are any quantity of them in our midst.

WE will again warn visitors against the wheels, whip man, and other swindlers on the Fair Grounds.

A three card monte man was caught in his little pranks on the Fair Grounds yesterday, and turned out.

No Mayor's Court this morning, and none of the scoundrels who are swindling our citizens are captured as yet.

CLOTHING is down, money being scarce, we are offering our entire stock of clothing, boots and shoes at suspension prices.

HIS CONDITION.—Spot Boyd, who was stabbed a few nights since, is reported to be a little easier, and hopes are now entertained of his speedy recovery.

LARGE crowds are expected to arrive to-night. Persons who can accommodate visitors would confer a favor if they would apprise any member of the Reception Committee.

EFFECTS of panic tremendous: Tumble in prices at

W. N. Hall, Treas.

## To the Citizens of Wilmington.

THE fate of the Cape Fear Agricultural Association depends upon your patronage. Upon you will rest the disgrace of its failure.

You can save it by a general attendance on Friday and Saturday. It is your interest, not the interest of its officers.

The country meets scarcely any of the town upon its grounds.

Come all, who have enough interest in the city to spend fifty cents for its support.

By order of the

EXECUTIVE COMMITTEE.

## THE FAIR.

### THIRD DAY'S PROCEEDINGS.

The morning opened cloudy, but cleared away by 10 o'clock, and the sun shone clear and bright as on the previous day. The attendance was larger, and greater interest manifested in the show.

#### THE SHOOTING MATCH

Was the centre of attraction in the morning. The birds were the domestic tame pigeon, and placed singly in a trap at twenty-one yards from the shooter.—Five shots only were allowed. A string was pulled, and the trap came to pieces, leaving the bird upon the ground. Many of the birds were too tame, or too much bewildered to fly, and had to be frightened away before they would fly. This, of course, confused the sportsman, and he was more apt to miss. Much of the shooting was very fine, however, and some really difficult shots were made.

Mr. T. C. Leake, of Rockingham, having killed five birds, the whole number allowed, won the English breech loading shot gun.

Mr. T. J. Johnson, of Wilmington, killed—1, 1, 1, 1, 0.

Mr. R. M. Houston, of Wilmington, killed—0, 1, 1, 1, 0.

Dr. W. G. Thomas, of Wilmington, killed—0, 1, 1, 1, 0.

DuBrutz Cutlar, of Wilmington, killed—0, 1, 1, 1, 0.

The other ten contestants having failed to kill the first bird, declined further efforts.

Dr. Wm. H. Greene was the referee and acquitted himself to the satisfaction of all concerned.

Among the machinery on exhibition at work on the grounds were cotton gins and a Wheeler & Wilson sewing machine, run by steam power. They attracted great attention.

At 1:30 p. m., the crowd repaired to the race track to witness the races.—The trotting match was for $400. Mile heats, best 3 in 5, to harness—$300 to the winning horse, $75 to the second and $25 to the third. Winning horse to beat 2:45.

The following is the programme for to-morrow:

Marshals, Knights in full armor, and Knights of Pythias in full uniform will meet in front of the City Hall and form procession and take up the following

LINE OF MARCH.

Down Third to Market, down Market to Front, up Front to Red Cross, up Red Cross to Fourth, and thence to the Fair Grounds and the Grand Stand.

12 o'CLOCK, M.

Charge to the Knights by Platt D. Walker, Esq., and immediately thereafter tilting to begin.

Coronation to take place on the field.

2 o'CLOCK P. M.

Procession of horses and other stock around the race course.

3 o'CLOCK P. M.

Trial of Speed—Premium $100.

For gentlemen's private horses, to be driven by the owners, mile heats, best 2 in 3, to wagons, 3 to enter, 2 to start. Winning horse to take purse.

C. W. McCLAMMY,
Chief Marshal.

The following horses put in an appearance:

Charles Smith, owned by A. A. Harrington, Jr.
Goshen Maid, owned by Mr. Trout.
Spotted Tail, owned by W. Boyce.
Lady Malsey, owned by J. A. Chambers.

Lots were drawn, and the horses stood as above, Smith having the inside. After several attempts the word "go" was given, and the race commenced.—The first half mile Goshen Maid was far ahead, but on the last quarter Lady Malsey gained rapidly, and passed her contestant, winning the heat in 2:38, Goshen Maid being second, and Spotted Tail third. "Smith" was ruled off the track.

SECOND HEAT.

The horses came up to the start promptly on call, and the greatest enthusiasm prevailed, Lady Malsey winning again in 2:38, Goshen Maid being second, and Spotted Tail third.

Dr. Joseph H. Hall, the oldest physician of Salisbury, and a highly esteemed citizen, died suddenly on last Saturday morning.

## THE TOWN CRIER.

— Mild.

— Gold is 109⅜.

— Hotels full as ticks.

— Beware of pickpockets.

— The race track is in good order.

— Go and see the Chapmans to-night.

— The moon rise last night was just lovely.

— The side-show has come, and the Fair can now go on.

— Six hundred people came in yesterday on the Charlotte Road.

— Smithville sends its quota to the Fair. We're glad to see 'em.

— The weather for the Fair couldn't be nicer, if it had been made to order.

— We want to be on the Sampling Committee when the wine bottles are opened.

— The automatic figures on exhibition in Floral Hall is a wonderful specimen of ingenuity.

— Don't it seem selfish for people to allow camelias to bloom, droop, wither and die on the bushes, without giving a fellow one?

— A beautiful little yacht of six tons burthen is now in port. She is manned by a party of gentlemen from Boston who are on their way to Indian river Fla., for a huut. They came from Boston to Norfolk outside, and then down the bays. etc., to this point. We wish them a pleasant season's shooting.

OPERA HOUSE.—The Chapman Sisters drew a good house last night. Lotus and Leo is a comical sort of a play, with no plot or particular point, but quite amusing. Judging by the yells of laughter and shouts of applause, the audience was well pleased. To-night they appear again, and we advise lovers of burlesque to be present.

JOCKEY IN LIMBO.—This morning the usual quietness and monotony of the street in front of this office was ruffled by the shrill and unmistakable police whistle. A crowd soon assembled, when it was elicited, by anxious inquiries, that one of the jockeys, finding his hired attendant drunk on the floor of Currie's stables, took the law in his own hands and kicked his hostler in the face, head and back, and threw him out of the stable. A policeman arrested both, and conveyed them to the guardhouse.

## WEEKLY REVIEW
—OF THE—
## WILMINGTON MARKETS.

The country has witnessed during the past three weeks a steady development of our recuperative forces, with such rapid and remarkable results as are unparalleled in any past experience of panics. The crisis occurred at a period when the country was unusually strong commercially, when bountiful harvests of our principal crops had just been gathered and prepared for market, when our foreign trade balances were turning to our favor, and when other nations were dependent upon us for supplies to an extent much greater than ordinary. The destruction of confidence and suspension of trade, following a stock exchange panic which ought not to have extended beyond speculative channels, or at the least should have been confined to the railroad and iron interests, resulted in forcing values down to a most absurd level, and, instead of cheap prices tempting the timid hoarders of money to invest in the excellent bargains offering at every hand, they had the effect of intimidating buyers. Since the movement of trade has commenced in earnest, however, under the impulsion of the necessities of home and foreign consumers, and since prices have commenced to steadily advance to a natural basis, it is found that it is easier to tempt thousands of dollars into trade at a high range of prices than it was to attract hundreds of dollars a few weeks ago at the low valuation then prevailing.

The advance in cotton during the last month adds at least forty million dollars to the revenues of the planter, and the advance in grain is still greater in the aggregate result, though less important as an item of our foreign trade. These are illustrations merely as the benefits of the change extends to all commodities which appear in the present movement between producers and consumers.

The N. Y. *Commercial's* review says: There is little or no change to note in financial affairs, the supply of currency being ample and the rates moderate on acceptable collateral, viz., 7 ₱ cent. on call and 10 @ 15 to 18 ₱ cent. discount, according to the standing of borrowers. Gold has been alternately weak and strong, declining to 108¾ and reaching to 109 @ 109¼ on the changed aspect of the Virginius question, indicated by the reports that the Cuban authorities refuse to surrender the ship, except to neutral parties. The annual reports of the Excutive and heads of Departments have been pretty thoroughly canvassed, and as the Administrated is opposed to inflation and in favor of getting back to a sound currency basis, there is a somewhat more hopeful feeling in financial and commercial circles. It is very evident that, with labor placed upon a fair basis, our currency fixed upon a rational and permanent system, and the inevitable shrinkage of values once fairly agreed upon and made the condition, as it would be a cause of new enterprise, there is nothing more certain than that the country would enter upon a career of material prosperity sound, and not in danger, from its intrisic nature, of collapse. That there will be a great pressure upon Congress for inflation there is little doubt, but there ought to be as little doubt that the certain, plain, conclusive principals of finance will govern. The general buisness of the country is gradually getting back to its regular channels, but we can hardly look for any subtantial revival of trade untill after the holidays. There has been some recovery in a few leading staples, and in some kinds of domestic produce that were depressed by the panic, but regular trade has been quiet in the most Departments. The outward movement of produce has become somewhat contracted since the close of navigation, yet it still keeps up to good Winter propotions, the late advance in prices having been offset to a considerable extent by the decline in freights. The weather has been so mild the last two or three days, that a release of the produce embargoed on the Canals is regarded as not improbable, and prices of Bread Stuffs have ruled weak in consequence. Groceries are stronger, Cotton has advanced, and most kinds of Provisions are a shade firmer.

CRUDE TURPENTINE has undergone no change during our review week. As heretofore, factors place their receipts without delay, and with ease. The demand for the article is light, and can easily be supplied, as the daily receipts are about equal te the distillers' consumption. The receipts for the week foot up 979 bbls., against 790 bbls. of the preceding week.

SPIRITS TURPENTINE—Under a good shipping demand, has developed a firmer tone than at the close of last week's resume of this article, retaining its buoyancy up to the close of this review week, and has advanced to 38 cents. The receipts are liberal, and the demand, which has been since the money stringency for shipping purposes, is about equal to the receipts. The receipts for the week foot up 1,589 bbls., against 2,081 bbls. of last week. To-day the market advanced ¼ ct., and closes firm at 38½ cts. ₱ gallon.

TAR has been in demand during the week, and has advanced to $2 45. The advance is partly owing to the scarcity of stock both in our and the New York markets, and an occasional shipping demand. The receipts for the week foot up 645 bbls., against 549 bbls. of last week.

ROSIN—There has been a good shipping demand for this article during this review week, though the feeling is not as firm as at the close of our last review. The market opened quiet on Friday at $2 25 for strained, and on Saturday it evinced a still easier feeling, with a slight falling off in prices to note. Monday, 1,500 bbls. strained were sold for December delivery at $2 30. Since then there have been no reported sales of this grade, though, however, the market has been quiet but steady at $2 25. The better grades have received some little attention during the past two weeks, and buyers have found it difficult to supply their wants in fine Rosin. The receipts for the week foot up 9,694 bbls.

COTTON—This staple has been characterized by a very quiet and inactive market during the week, and has declined from ¼ to ½ cent in price. The immense receipts at the various ports is in a measure accountable for the decline, though, however, the demand has slackened in our market, in sympathy with the Liverpool and New York markets. The receipts for the week foot up 1,205 bales. The resume for the week is as follows:

FRIDAY—The market opened quiet, with buyers and sellers apart. No stock changed hands during the day, and the market was reported quiet at quotations:

| | | |
|---|---|---|
| Ordinary, | 12½ cents | ₱ lb |
| Good Ordinary, | 14 " | " |
| Strict Good Ordinary, | 14¼ " | " |
| Low Middling, | 14½ " | " |

| Low Middling, | 14½ " | " |
| Strict Low Middling, | 14¾ " | " |
| Middling, | 15 " | " |

MONDAY—Buyers made concessions and sellers were compelled to acquiese to the demand. The market was quoted quiet as follows:

| | | |
|---|---|---|
| Ordinary, | 12 cents | ₱ lb. |
| Good Ordinary, | 13½ " | " |
| Strict Good Ordinary, | 13¾ " | " |
| Low Middling, | 14¼ " | " |
| Strict Low Middling, | 14½ " | " |
| Middling, | 14¾ " | " |
| Strict Middling | 15 " | " |

TUESDAY—The market showed further signs of weakness, and the quotation were as follows:

| | | |
|---|---|---|
| Ordinary, | 12 cents | ₱ lb. |
| Good Ordinary, | 13½ " | " |
| Strict Good Ordinary, | 13¾ " | " |
| Low Middling, | 14¼ " | " |
| Strict Low Middling, | 14½ " | " |
| Middling, | 14¾ " | " |
| Strict Middling | 15 " | " |

WEDNESDAY—The same activity noted for the past three days is to be recorded, though there is no further decline in prices noted:

| | | |
|---|---|---|
| Ordinary, | 12 cents | ₱ lb. |
| Good Ordinary, | 13½ " | " |
| Strict Good Ordinary, | 13¾ " | " |

## PROSPECTUS.

# THE EVENING POST.

J. C. MANN,

*EDITOR & PROPRIETOR.*

Published every evening, except Sunday, at

Five Dollars per Annum.

The POST is designed to reach all classes of citizens, and its subscription price is therefore placed so low as to be within the reach of all. It contains the

LATEST NEWS,

up to the time of going to press,

*TELEGRAPHIC,*
*BY MAIL,*
*COMMERCIAL*
*AND LOCAL.*

It should be in the hands of every man who desires to know what has transpired during the day, and, as it aims to give

RELIABLE INTELLIGENCE,

its publisher hopes it will prove a welcome guest in many families.

THE POST

is sprightly without being sensational, and it carefully excludes all objectionable incidents and reports calculated to offend the sensibilities of the most fastidious. As an

Advertising Medium

it claims to be first class. It has a good and constantly increasing circulation, and is read by almost every business man in the city.

Politically the POST is

*UNSWERVINGLY REPUBLICAN.*

Its editor having been a consistent member of that party since 1855, through its vicisitudes and triumphs, he claims to speak advisedly when advocating its principles. He is not, however an "extremist," and accords to others what he claims for himself, the right of free thought and of free speech.

THE ADVERTISING RATES of the POST, like its subscription price, are at liberal and at living prices, as an examination of them will show, and it bespeaks a share of public patronage.

THE EVENING POST

is closely identified with the local welfare of the Cape Fear region, and the believers in progress, whether

*EDUCATIONAL,*
*AGRICULTURAL,*
*MECHANICAL, or*
*COMMERCIAL,*

will find an enthusiastic ally in THE POST.

THE POST

is opposed to monopolies, but in favor of internal improvements, and a firm believer in the patronage and support of home enterprises and institutions.

CITY OF WILMINGTON, N. C.,

### Resolutions

**Concerning Bridges over Wilmington and Weldon Railroad in the City of Wilmington, N. C,**

WHEREAS, THE "CUT" MADE BY the Wilmington and Weldon Railroad Company in the construction of their Railroad, where the same crosses or intersects the streets in the city greatly impedes the passage of travellers and tends to the manifest injury of the citizens,

AND WHEREAS, The Board of Aldermen are advised that it is the duty of the said Wilmington and Weldon Railroad Company to erect and maintain bridges across such cuts where the same cross or intersect the streets in the city, therefore,

BE IT RESOLVED BY THE BOARD OF ALDERMEN, That in their opinion the public necessity demands the erection of bridges at the following points where the said Railroad intersects the following streets to wit: Second Street, Third Street, Fifth Street, Sixth Street, Seventh Street and MacRae Street.

RESOLVED, That in the opinion of this Board, the Bridge known as Boney Bridge, where the Railroad crosses Fourth Street, is so narrow as to impede the passage of travellers on the same, and that a bridge of fifty feet wide would be necessary to accommodate the public at that point,

RESOLVED, That the Mayor cause a copy of these Resolutions to be served upon the President or Managing Agent of the Wilmington and Weldon Railroad Company, and that he direct the officer serving the notice to return a copy thereof, with the manner of service, to the office of the Clerk and Treasurer of the City.

The above Preamble and Resolutions were passed by the Board of Aldermen at their meeting November 21st, 1873.
